

Our Story

Shaped by wind, waves and time, driftwood carries the quiet poetry of the sea. Once part of distant shores and unseen journeys, each piece is weathered into a form uniquely its own - a natural record of movement, resilience and discovery. More than an object, driftwood is a witness to the ocean's rhythm, bearing the beauty of imperfection and the memory of where it has been.

Inspired by this spirit of journey and transformation, Driftwood Pool Bar celebrates moments shaped slowly and savored fully. At the heart of our menu is gin - a spirit as layered and expressive as the ocean itself. Its botanical complexity finds harmony in our handcrafted cocktails, thoughtfully created with fresh ingredients harvested from our JW Garden.

Here, every sip reflects a story of balance between nature and craft, where relaxed afternoons unfold into spirited evenings, guided by the sea's enduring sense of adventure.
